Hot and cold food and drinks are available at the competition venue.

## **Regulations**

### **Qualification rounds**

The preliminary round will be shot in four groups:

- Group 1 on Friday, 16.12.2022, 14:00 hrs
- Group 2 on Friday, 16.12.2022, 17:00 hrs
- Group 3 on Saturday, 17.12.2022, 08:30 a.m.
- Group 4 on Saturday, 17.12.2022, 12:30 p.m.

All paraclasses shoot in group 3

The grouping will be published on the official website of the Berlin Open immediately after the registration deadline from 01.12.2022.

The starting lists will also be published on the official website of the Berlin Open on Thursday, 15.12.2022 as well as on the information boards at the competition venue on the competition days.

3 arrows will be shot per round on a 3 arrow spot according to WA rules, a total of 60 arrows.

### **Second Chance**

All shooters of the Berlin Open who have not qualified for the finals in their categories are eligible to participate in the "Second Chance" competition. The competition will be held in four categories: Men's Recurve, Women's Recurve, Men's Compound and Women's Compound.

Three passes with five arrows each are shot at a DANAGE special target (6 spot). The spot in the middle is not shot at, only the outer spots! As the scoring zones are very narrow and partly overlap by a few millimetres, it must be possible to clearly assign the hit for scoring. Further information will be provided by the judges on site. The shooting time for the five arrows per pass is 150 seconds. The results of all participants will be summarised in result lists according to the categories. The best in the ring will receive the prizes. In the event of a ring tie, the placing in the qualification round will decide on the better placing in the results lists. The prizes will be handed over directly afterwards at a small award ceremony. The prizes may be taken home as souvenirs.

## **Organisational**

It is not permitted to take the bow cases onto the competition field. The entire competition field is reserved exclusively for the archers and the organiser's staff and representatives. Sufficient changing rooms and luggage storage are available directly next to the competition field.

Disclaimer: Participation in the Berlin Open is at your own risk and responsibility. The organiser as well as all employees commissioned by the organiser at the event do not accept any responsibility for loss, damage, injuries or other events, insofar as these are not attributable to the aforementioned.

The Berlin Open 2022 will be held in accordance with the pandemic regulations in force in Berlin at the time of the competition.

Arrival: Sufficient parking spaces are available in the vicinity of the Horst-Korber-Sportzentrum. The competition venue is easy to reach by public transport (S-Bahn).

Every shot into the gold!
